

A diagram illustrating the structure of a Python library. It consists of three nested rectangular boxes. The outermost box is light blue with a dashed border and contains the text 'lib' centered at the top. Inside this box is a white box with a solid black border. This white box contains two elements: a smaller blue box with a solid black border on the left, containing the text 'site-packages', and the text 'python3.12' on the right.

lib

site-packages

python3.12
