

```
build/lidar_processor  
/CMakeFiles/FindOpenMP  
/OpenMPCheckVersion.cpp
```

```
graph TD; A["build/lidar_processor  
/CMakeFiles/FindOpenMP  
/OpenMPCheckVersion.cpp"] --> B["stdio.h"]; A --> C["omp.h"];
```

A diagram showing a CMake script box at the top with two blue arrows pointing down to two separate header file boxes. The top box contains the text 'build/lidar_processor', '/CMakeFiles/FindOpenMP', and '/OpenMPCheckVersion.cpp'. The two arrows point from the bottom of this box to the top of two boxes below it. The left box contains 'stdio.h' and the right box contains 'omp.h'.
